A Statement Piece

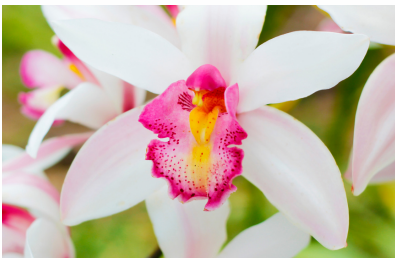

Creating a bold structure for
your home gives you a
beautiful statement piece

which you can
embellish with your
choice of flowers
throughout the
seasons

To keep your flowers hydrated, test tubes may be
easily inserted into this straw and raffia design.

Remember to keep the
test tubes topped up with
fresh water

Air Drying Aspidistras

Curl, peg and hang the
aspidistras to dry.

You will see your
leaves change
into gorgeous
curls of warm
amber and
golden brown

Balloon Flowers

Flowers come in many forms and these fun balloon flowers will make a great party piece for your celebrations!

For something a little more sophisticated , why not try creating this rose table centre with a deflated balloon

Painted Leaves

Painted leaves are very much a fashion in floral design

Add some bio glitter using floral spray adhesive and you will add the wow factor to your designs and celebration bouquets

Be sure to use Eco Friendly Bio Degradable Glitter, and were possible discard any in a bin, not down a drain

Floral Handbags

For a special occasion embellish your favourite handbag with flowers or create a handbag from scratch using only plant material, for a stylish floral display or gift

Floral Jewellery

You can have great fun creating versatile jewellery pieces using sisal and wire. embellished with fresh or dried flowers you can wear them as a necklace, bracelet, hair or bag accessory

Paper Flowers

You will find a great use for your old maps folding paper flowers and leaves for this decorative ring

Crafting is a great way to relax and you feel a real sense of achievement mastering the origami flowers

Floral Glitter Art

Create your floral
glitter make up
embellishments
using eco cosmetic
glitter and stencils

Himmeli Wreath Ring

Himmeli is a Scandinavian craft using straws to create geometric components which link together to form the Himmeli Wreath and other decorative structures.

Once embellished with fresh or dried flowers you will have a fabulous table decoration or wall hanging

Welcome Wreath

Welcome your friends and family with a
fun floral door hanging

As you can create an animal using plant
materials and foliage you will enjoy seeing
them develop their own personality
